

AHRI Data Subscription Program Packages and Fees

The following fees apply to services provided January 1, 2025 – December 1, 2025. If an Agreement is executed mid-year, the subscription package fee will be pro-rated to reflect the number of months remaining in the calendar year from the date the Licensee signs the License Agreement. The fee for any additional user accounts will not be pro-rated.

Upon examination of the Licensee’s AHRI Data usage, AHRI will determine if the Licensee is eligible for the Discounted Fee. Some examples of Licensees who **may** receive the Discounted Fee:

- A verified CEE utility member or HARDI distributor member that includes or utilizes AHRI Data in Tools¹ but does not require payment for someone to receive, access, or utilize such Tools.²
- An equipment contractor or installer that includes or utilizes AHRI Data in Tools¹ but does not require payment for someone to receive, access, or utilize such Tools.²

¹ Tools as defined in the AHRI Licensing Agreement are printed or electronic media, service, database, or software developed and maintained by Licensee containing AHRI Data and/or AHRI Marks.

² An organization hired by, or on behalf of, the Licensee, or a Sublicensee to the Licensee, to provide or support Tools is not eligible for the Discounted Fee. Examples of such organizations include, but are not limited to, data aggregators, efficiency program administrators, and rebate program managers and processors.
